

DICTIONARY OF
Policy Design

MICHAEL HOWLETT • ALEXANDER HOWLETT

DICTIONARY OF
Policy Design

'This Dictionary of Policy Design fills a large gap. It provides succinct and reliable definitions and explanations of key terms relevant to analysis of policy problems and policy responses. This is useful both for students and for advanced scholars looking for an authoritative guide to key terms and their inter-connections.'

Brian Head, University of Queensland, Australia

'The creation of this admirable Dictionary of Policy Design is a welcome source of clarity for understanding its ever-expanding and potentially overwhelming language. If you want to comprehend policy design and use its terminology to unlock policy change, this wide-ranging map will help you to expertly navigate the bumpy terrain.'

Jenny M Lewis, University of Melbourne, Australia

This authoritative *Dictionary* provides a detailed guide to the terminology and vocabulary used in policy design. Unpacking this crucial area of policy making, it outlines the topics that are central to the theoretical and practical aspects of the discipline.

With an accessible structure, the *Dictionary* showcases extensive lists of policy tools, actors involved in design work and processes such as policy formulation. It includes short definitions of key terms as well as longer entries explaining the background and origins of important concepts. Entries contain recommendations of essential works for further reading, while the expansive index incorporates cross-references to similar ideas, providing interdisciplinary insights into economics, political science, law, psychology and other related fields.

The *Dictionary of Policy Design* is a vital resource for students and scholars of political science, economics, policy studies and public administration. Practitioners and policymakers in public management will also benefit from this comprehensive book.

Michael Howlett is Burnaby Mountain Professor and Canada Research Chair (Tier 1) in the Department of Political Science at Simon Fraser University and **Alexander Howlett** is at the University of Canada West, Canada.
